GINEBRA

To order a gin & tonic in Spain is to unwittingly be served a quadruple serving in a glass big enough to bathe your baby in. Try our selection with tonic or in a martini.

GIN MARE - Spain

Flavours of the Mediterranean - olives, basil, thyme & rosemary, sans roots 16

WEST WINDS - Western Australia

'Sabre' citrus driven with lemon myrtle & toasted wattle seed in a classic London dry style 15

'Cutlass' highly aromatic, higher abv with cinnamon myrtle & kutjera (native bush tomato) 17

'Broadside' Powerful gin, aromas of sea, parsley and grapefruit, full body and intensity 19

HENDRICKS - Scotland

Infused with cucumber & rose petals, who knew we'd all be drinking gin with cucumber 15

MONKEY 47 - Germany

'British Tradition' small, independent, artisanal. Floral, summer meadow, citrus 17

THE BOTANIST - Scotland

From the island of Islay - a labour of love with 22 hand picked botanicals behind it 17

ROKU - Japan

Perfectly balanced combining both traditional & 6 uniquely flavoured Japanese botanicals 15

PLYMOUTH - England

The only UK gin with a geographical designation. Lots of roots yet dry, clean, & long 15

MARTIN MILLER'S 'Westbourne' - England

Cinnamon, nutmeg, citrus peel, coriander, liquorice and cassia bark, distilled and then briskly flown to Iceland for ultimate purity of water for blending. Yup. 15

FOUR PILLARS - Victoria

'Rare dry' truly modern gin, spicy but with very high citrusness, an aussie summer perfect match 15

'Spiced Negroni' specifically designed to match the vermouth and Campari in the famous cocktail it's a rich taste on its own with tonic and botanicals 17

'Bloody Shiraz' dark fruit, plum and blackberry are the protagonist here, Mediterranean tonic to balance it up ... it's the way to go! 17
